## Analysis Report of Student Satisfaction Survey

The following is an analysis of the survey responses received for the Student Satisfaction Survey:

Maximum students feel that the teachers complete the syllabus well in time and come satisfactorily prepared to class and their communication skills are always effective. Most of the students feel the teacher's approach and attitude of teaching the topic is very good. The concepts taught are always well supplemented with added knowledge, examples and repetition as and when required. Most students agree that the institution involves the students in the quality of teaching learning process.

Most students feel that maximum number of teachers use ICT tools to enhance the teaching- learning process and the teaching-learning modules are very good. Many of the students feel that the evaluation process of the units test and assignments is always fair and there is a proper feedback system in place where the teachers always discuss with the students their performance and take regular follow-up of assigned tasks. Maximum students feel that the teachers always identify their strengths and weaknesses and encourage them to improve further.

Most of the students are of the opinion that they adequately encouraged participating in the co-curricular activities organized by the staff of the college. Maximum students feel that the teachers satisfactorily aid and help in providing a holistic development through the mentoring system and proper guidance. Maximum students are of the opinion that they are encouraged to participant in extra-curricular activities.

A large number of students agree that the college provides them with a platform to grow while learning. Maximum students feel that their learning is moderately enhanced by the use of student-centric approaches and that they are usually made aware of the competencies required and the learning outcomes of a particular program that they are completing. Most of the students feel that the teachers make effort in inculcating skills and try to make them job ready globally.
